ABIN MANOJ

+91 9061623800◇ abinmanojappu@gmail.com ◇ Bengaluru, Karnataka ◇ Linkedin

OBJECTIVE

Motivated IT professional currently pursuing a Bachelor of Computer Applications, with a solid foundation in programming and software development. Skilled in C, Java, and Python, and expanding knowledge in Artificial Intelligence. Recognized for adaptability, leadership, and a passion for continuous learning, with a strong drive to contribute to innovative software projects within a dynamic organization.

EDUCATION

Studying Full Stack Development in Python, at Entri Education App	Expected 2026
Bachelor of Computer Application, Bangalore North University	Expected 2026
12th Standard, Kerala Board	2021 – 2023
SSLC, Kerala Board	2020 – 2021

PROJECTS •

- **Portfolio Website** – Developed a responsive personal portfolio using HTML, CSS, and JavaScript, featuring animated sections (Home, About, Skills, Projects, Contact). Showcases personal details, resume link, and social profiles in a clean, modern UI.
- **Car Brand Image Gallery** – Created an interactive gallery displaying car brand logos that navigate to brand-specific model pages. Integrated a JavaScript-powered popup (lightbox) to view car images with details, ensuring a smooth and responsive user experience.
- **Basic Calculator** – Built a functional calculator using HTML, CSS, and JavaScript to perform arithmetic operations. Designed with a simple UI and efficient event handling for accuracy and ease of use.
- **Landing Page** – Designed and implemented a responsive landing page containing personal information, navigation, and animations. Focused on usability, mobile compatibility, and clean layout for an engaging user experience.

SKILLS

Technical Skills	C, Java, Python, HTML, CSS, JavaScript, MS Office (MS Word, MS Excel, MS PowerPoint)
Soft Skills	Leadership, Communication, Time Management, Adaptability, Hardworking and passionate about delivering results

CERTIFICATION --- Artificial Intelligence Analyst - IBM

- Learned core concepts of AI, Python programming, and machine learning
- Gained hands-on experience with data preprocessing and AI model creation using Python libraries
